

Corrupted Package

This issue only occurred on Android.

Sometimes when you install the update package or Opengapps package, you can see the message. To solve this problem, **you have to redownload packages**. Before redownloading, you can check the package file.

When you update android, you can check file's checksum via md5sum command.

```
$ md5sum updatepackage-odroidc2-eng-s905_6.0.1_master-65.zip
da61b169242938816f8346627bc088d5 updatepackage-odroidc2-eng-
s905_6.0.1_master-65.zip

$ cat updatepackage-odroidc2-eng-s905_6.0.1_master-65.zip.md5sum
da61b169242938816f8346627bc088d5 updatepackage-odroidc2-eng-
s905_6.0.1_master-65.zip
```

If result value is different, please redownload it.
