

Arduino for ODROID-GO - Flappybird

- Make sure that you've followed [Arduino setup](#) guide.

Import and compile, upload to ODROID-GO

Click the **Files** → **Examples** → **ODROID-GO** → **Applications** → **FlappyBird** menu to import and press **CTRL-U** to compile/upload.

And you can know that the uploading is completed by the message: “Hard resetting via RTS pin...”.
